UPS can not deliver to a Post Office Box.

Some orders may also be shipped through the United States Postal Service (USPS).

Customers are responsible for ALL shipping charges.

This also includes packages that are not delivered and returned to us due to: Wrong Address, Does Not Want, Refused, Not in on 3 Delivery Attempts, No Funds Available or any other reason.

An additional \$2.20 UPS Delivery Area Surcharge may apply per package depending on destination zip code.

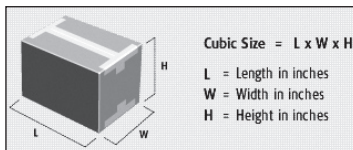

HOW TO DETERMINE PACKAGE WEIGHT

UPS Ground packages smaller than three cubic feet (5,184 cubic inches) will be billed based on actual weight. UPS Ground packages that are three cubic feet (5,184 cubic inches) or larger will be billed based on actual package weight or the dimensional weight, whichever is greater.

HOW TO CALCULATE CUBIC SIZE

To determine if dimensional weight pricing applies to your package, you must first calculate its cubic size. Follow these steps:

1. Measure the length, width and height of your package. Round each measurement to the nearest whole inch. (For example, 1.00" to 1.49" will be considered 1 inch, and 1.50" to 1.99" will be considered 2 inches.)
2. Multiply the length by the width by the height. The result is the cubic size of your package

HOW TO CALCULATE DIMENSIONAL WEIGHT

Once you have calculated the cubic size of your UPS Ground package and have determined that it is 5,184 cubic inches or greater, you are ready to calculate the dimensional weight. Divide the cubic size of your package by 194 rounding up to the nearest full pound. UPS Domestic Ground Service

$$\frac{L \times W \times H}{194}$$

Billable weight will be based on either the actual weight or dimensional weight of your UPS Ground package, whichever is greater.

UPS INSURANCE FEES All packages are insured up to \$100.00. For packages over \$100.00 an additional fee of \$0.55 per \$100.00 will be added, with a minimum fee of \$1.50.

UPS COD FEES All COD orders will have an additional fee of \$9.00 per COD tag. Some orders may require multiple COD tags.

COD ORDERS Some COD orders may require payment in the form of a Money Order / Cashiers Check. UPS no longer accepts cash.

UPS FUEL SURCHARGE UPS applies a fuel surcharge on all packages. This charge is based upon the National U.S. Average on Highway Diesel Fuel Prices and can fluctuate monthly.

UPS SERVICES The following services are available: Ground Residential, Next Day Air, Second Day Air and 3 Day Select.
